Builder's Guarantee & Tarion Warranty

- All homes are built to meet or exceed the current Ontario Building Code (OBC)
- All homes covered by Tarion Warranty Corporation (comprehensive 1-year warranty plus a 2-year warranty covering the electrical, plumbing, heating systems and water penetration of the building envelope and a 7-year warranty against major structural defects)
- Tarion enrollment fee is included with purchase

Notes

- Plans and specifications are subject to modification at the discretion of the Builder. The Builder reserves the right to substitute materials of similar or better quality. All measurements are approximate. HST is included in the base price of the home. HST will be applied to all upgrades/premiums/extras. E. & O.E. August 20, 2019.
- Prices are subject to change without notice
- All selections are to be made from samples provided by pre-selected vendors.
- Variations in uniformity and color (i.e. ceramics, wood products, etc.) from vendor's samples may occur and can be expected in finished materials.

- The number of steps at the front and in the garage (if applicable) may vary from that shown and are subject to grade
- The decorated model home, marketing floorplans and/or images/renderings do contain some items, features or services not included in the base price and are subject to change. The Purchaser acknowledges that artist's renderings are for display purposes only and may not be representative of construction details.
- The Purchaser acknowledges that there may be a variance in floor levels as a result of different finishing materials.
- Furnace, hot water tank, sump pit (if applicable), HRV, DWHR, air conditioner, water meter and hydro panel may not be positioned as shown on plan.
- When purchasing a home already under construction, the Purchaser acknowledges that there may be minor deviations from the floor plan, elevation or layout of the model and the Purchaser agrees to accept such changes as constructed.
- Due to sitting, grading and paving conditions, rooflines may vary due to structural roof framing conditions, and may not be exactly as shown.
- Some windows on side/rear elevation may be slider style windows and some panes may be fixed.
- *Note that asphalt driveway will be paved after closing to allow time for driveways to settle.
- **Note that some portions of ceilings may be higher or lower in some units
- Daniel J. Clayton Ltd. Reserves the right to use visual representations of your home, taken both during construction and after occupancy, for the purpose of marketing and/or advertising.
- Ceilings and walls may be modified, and bulkhead(s) added to accommodate mechanical systems.
- The Purchaser acknowledges that there shall be no reduction in the purchase price or credit for any standard feature listed herein which is omitted at the Purchaser's request.
- All references to sizes, measurements, construction styles, brand/industry names or terms may be subject to change or variation within industry accepted standards & tolerances.
